

Hot Air Balloon Spring Crew Clinic

For this session, we will be covering radio communications, navigation, the latest apps, and land owner relations. Radio testing and programming will be offered. Be sure to bring your equipment and chargers. The session will be from 9am to noon. No experience is necessary. Everyone interested in being on a crew is welcome to attend.

Directions: Enter the airport from Baron Rd. The clubhouse will be the first turn to the left.

A message from the National FAASTeam Manager
